Activities of the Commission

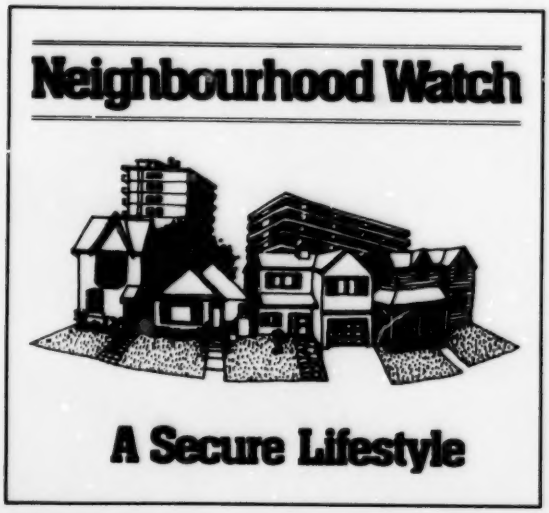
Meetings

The Commission held five (5) regular meetings during the year to deal with normal business.

One Training Committee meeting was held on April l9th, 1991. The Commission, in its role of promoting efficiency, improving police relations in the community and consulting with and making recommendations to Boards of Police Commissioners and chiefs of police, places considerable emphasis on race relations. The changing demographics of Saskatchewan's population requires police services be representive of the cultural mix of its citizens. In Saskatchewan the emerging challenge is to have greater representation at all levels of policing of aboriginal citizens. To this end the Commission will continue to place great importance on this issue.

Visits

The Executive Director, the Acting Director of the Saskatchewan Police College and the Commission Officer continue to make on-site contact with the police departments around the province on work related matters and informal visits to ensure two-way communication is ongoing between the Commission, Boards, and the police community.



Crime Prevention

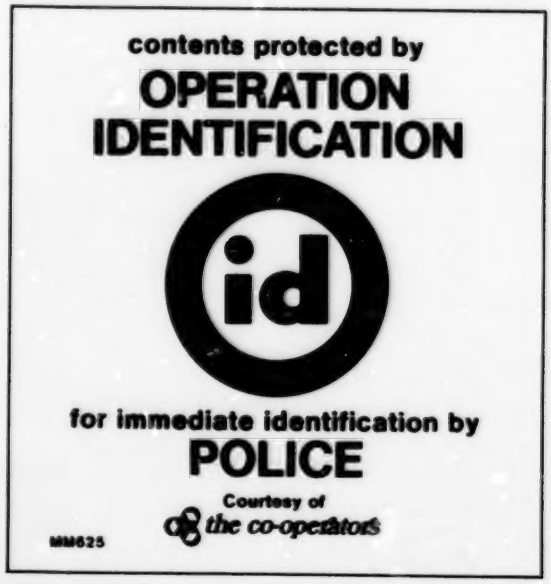
The Commission continues to give high priority to initiatives and efforts to reduce crime in the province. The increasing attention and involvement by the public at large is noteworthy, which is the result of the police and the public working towards a common goal — a safer community.

The Executive Director acts in a co-ordinating role, bringing the crime prevention officers, representatives of the Federal Solicitor General's Consultation Centre (Prairies) and the Minister of Justice together on a semi-annual basis to evaluate programs, identify needs, and to share new ideas and material.

The Crime Prevention Co-ordinators with the various police departments in the province are as follows, as of March 31st, 1990:

Regina	—	Sergeant Barry Stricker
Saskatoon	—	Sergeant Don Evers
Moose Jaw	—	Constable Gerry Antosh
Prince Albert	—	Corporal Eldon Laird
Estevan	—	Constable John Chester
Weyburn	—	Sergeant Mike Rogal
RCMP	—	Sergeant H. B. Letain

The private sector provides excellent support for the various programs through publicity material, brochures, handouts, stickers, etc.



Public Complaints

The following represents the number of complaints received by this Commission during the past five years. The complaints were against municipal police officers and members of the Royal Canadian Mounted Police that received the attention of the Commission Officer, Mr. Gary F. Treble:

Municipal Police	R C M P
1990 — 48	1990 — 0
1989 — 36	1989 — 8
1988 — 37	1988 — 4
1987 — 68	1987 — 5
1986 — 51	1986 — 4

The complaints were concluded to the following categories:

* Substantiated 5
** Unsubstantiated 8
Unfounded 27
Abandoned 8

* Discipline was administered under the Municipal Police Discipline Regulations.
** Insufficient information to either prove or disprove the complaint.

Ombudsman's Review Of Complaints

One Saskatoon resident requested that the Ombudsman review one investigation completed by the Commission. A report has not been received from the Ombudsman as to his findings.

The Executive Director is an associate member of the above Association. He participated on the Operational Research Committee, the Training Committee, and worked on a Canadian Standards Board Steering Committee on Police Ammunition Standards.

Canadian Police College

The Executive Director continues to represent Saskatchewan on the College Advisory Committee and attended the meeting at the College on April 26th, 1991.

The Commission acts in a co-ordinating role between the police departments and the national College in the allocation of spaces for courses and the attendance of the various officers. In 1990 candidates from the following departments attended the Canadian Police College:

Police Department	Number Of Candidates
Regina	24
Saskatoon	16

Fifteenth Annual Symposium Of Provincial Police Commissions

The 1990 Symposium was hosted by the Ontario Police Commission in Toronto on September 9th to 11th, 1990. Vice-Chairman Jacelyn A. Ryan and the Executive Director, Bill Graham attended the symposium.

Complaints To The Human Rights Commission

There were no complaints regarding this Commission. Informal meetings between the Human Rights Commission and this Commission continue, to ensure compliance with the Human Rights Code.

Appeals To The Commission

A sergeant appealed an official warning for insubordination and his appeal was allowed.

A constable was found guilty of criminal conduct and discreditable conduct for which he was required to resign. The Commission allowed his appeal with reference to criminal conduct but upheld the conviction and punishment for discreditable conduct.

A constable was terminated by his Board of Police Commissioners pursuant to section 36 of The Police Act. On appeal by the constable, the Commission allowed the appeal and the constable was reinstated.

RCMP Public Complaints Commission

The formation of this Commission resulted in a transfer of complaint review from this Commission.

The Executive Director continues close liaison with the Chairman and his staff of the RCMP Public Complaints Commission.

Saskatchewan Police College

Police Training

The Saskatchewan Police College, with offices and classrooms located at the University of Regina is under the authority and control of the Saskatchewan Police Commission by vertue of The Police Act.

The principal objective of the College is to provide training for all municipal police departments in the province. Courses are offered for all levels of personnel, from recruit to management and offered regularly for recruits, operational investigators, senior constable's development, introduction to management, police management, effective presentations, cultural relations, fire investigation and drug investigation. Other courses and seminars are offered as funding permits.

Year 1990/91 was a very progressive year in police training. The position of program developer, hired on a contractual basis, has been a significant benefit to the College. The position will not only enable us to keep our course training standards up-to-date, but also enhance the quality of research.

Recruitment of new members by department was low during the year, which resulted in only one recruit class. This allowed the College to increase in-service training to meet some of the needs identified in previous years and help reduce the backlog on in-service training. A new course was offered for officers involved in Drug Abuse Prevention Training and will no doubt be of considerable benefit to members involved in schools and the community in the drug prevention and awareness programs.

Three of the courses were held in Saskatoon.

A total of 443 candidates from municpal police departments, Royal Canadian Mounted Police, Canadian National Railway, Wascana Centre Authority and Brandon City Police were trained in the year.
